Benefits of SOCIAL MEDIA MARKETING

Social media marketing can be a powerful tool for small businesses to increase brand awareness, generate leads and increase sales:

- **Low cost:** Social media is a low-cost way to reach a large audience of potential customers.
- **Audience insight:** Social media provides a way to learn more about your audience and reach out to them.
- **Brand legitimacy:** Customers often search for brands online, so social media can help establish your brand's legitimacy.
- **Website traffic:** Social media can increase website traffic and SEO ranking.
- **Lead generation:** Social media can generate leads at a lower cost than traditional methods.
- **Customer relationships:** Social media can help build relationships with customers and generate leads.
- **Online sales:** Social media platforms can be used to directly complete online sales transactions.
- **Influence:** Social media can help you control what is said about your business online. You can respond to comments, mentions, and reviews to improve your products and services.
- **Top-of-mind awareness:** Social media can help keep your business top-of-mind for your target customers.

Website DESIGN SERVICES

TB Marketing Solutions offers professional website design that helps your business look polished, credible, and ready to convert visitors into customers. We create modern, mobile-friendly websites with clean layouts, strategic messaging, and a user experience designed to support your goals—whether that's getting more calls, bookings, or sales. From start to launch, we handle the details so you can feel confident sharing your website everywhere.

\$2,000
One time fee

Your website investment includes a one-time design fee paid directly to TB Marketing Solutions for the build and setup of your site. After launch, you'll also need an ongoing website plan to keep your site active and hosted online—plan options are listed on the next page.

- Custom website design tailored to your brand and goals
- Mobile-friendly and responsive design (looks great on all devices)
- Strategic layout focused on user experience and conversions
- Unlimited revisions during the design phase
- On-page SEO optimization (titles, meta descriptions, keyword placement)
- Speed and performance optimization
- Brand consistency (fonts, colors, imagery alignment)
- Contact forms and call-to-action setup
- Basic security setup and site protection
- Browser and device testing before launch
- Website launch support and final walkthrough
